**PLAYING FOR CHANGE
FOUNDATION IS CELEBRATING
ITS 10TH ANNIVERSARY,**

a decade creating positive change through music and arts education around the world. Free classes are provided in safe and nurturing environments for children residing in some of the most challenged places on the planet.

Today, thousands of children are provided the gift of music in schools in Africa, Latin America and Southeast Asia, as well as emerging “Sister Schools for Change” in the United States. The mission is building a positive base across diverse communities, resulting in reduced conflict, increased collaboration, improved academics, higher self-esteem, resilience and joy.

Your purchase of this wonderful book is an investment in the mission’s impact, the time-proven methods of the music programs and the innovative initiatives of the foundation.

**Thank you for the love and
universal gift of music for the
children!**
